

confirmation must be submitted to the farm in a timely manner. Failure to do so will void the LFG right to return service.

10. All other guarantees and conditions that are stated in the regular breeding contract apply to mares that are inseminated with transported semen.
11. There will be no refunds of any kind for any reason after the first collection is shipped.
12. Please sign below for cooled transported semen and return with entire fee, and regular contract as shipment will NOT be made until all fees are collected and verified. Credit card information must be on file prior to shipment. The Farm/stallion owner is not set up for credit card payment at this time. Credit card information is for Mountain View Equine for Equitainer. No charges will be made if container is returned within 4 days- as per contract- unless you wish to charge your collection fee with Mountain View.
